HOLD MAN ON \$2000 BOND IN EASTSIDE RAPE CASE

Ask Delay in Douglass Pool, Park Closing

Because there is a general lack of recreational facilities for the 55,000 colored citizens of this city, because there is a lapse of ten days between the closing date of Douglass park (August 25) and the opening of school (September 5), because the swimming pool and playgrounds should be operated as long as the weather is hot and there is need,—because of these and other reasons, the park

board through Wally Middlesworth is being asked by citizens to extend the closing date of Douglass park playground and swim pool until Labor day at least.

Private citizens, club presidents, civic clubs and leaders, eastside and westside organizations, northside and southside grounds have considered circulation of petitions asking that the park board grant an extension of the closing date.

Further, it is stated that there are clubs, beaches, swim pools and recreation spots which are closed to colored persons and these in some measure relieve the situation among white persons. However, since Douglass park must serve all the colored citizens of Indianapolis, with no supporting facilities such as are open for whites, a grave situation arises with the early closing. It has frequently been suggested that the pool and play facilities be made available early in the year (say during latter April or May) and be operated until weather forbids, rather than an arbitrary date.

The salaries of the life guards and the playground workers are little compared with the resulting benefits in healthful and supervised play, the lessening of opportunity for juvenile delinquency as well as from the standpoint of accident prevention. Since there is "that certain attitude" as regards the public parks, there should be granted at Douglass those things which are necessary, it is to be hoped that the park board and the city council consider the matter seriously and that the proper steps be taken to aid the colored citizens of Indianapolis.

Finest Type Citizens, Says All-Star Coach

(See Editorial Page 10, Story Page 14)

"The All-Stars Came To Town Early This Week" to "Go To Town" at Butler fieldhouse Friday night against the State Champions, Frankfort's pride and joy.

George Crowe and Howard Mitchell have been received with open arms on every occasion in which the All-Stars have appeared. Beyond a shadow of doubt the two boys are the finest type of citizens that any race can be proud of.

stated Coach Tom Downey, when he discussed the splendid way the boys were clicking together during the daily work-outs at the field house.

Sports editor, Blaine Patton, Indianapolis Star, claimed that the crowd at the Sports arena almost took the "roof off" when Crowe was introduced from the ring last Tuesday night. George Crowe, Franklin ace netter and top-most man in the state, is strictly "tops" when it comes to the sport fans throughout the state.

Coaches of the two teams selected their officials for the net tilt and Nate Kaufman of Shelbyville and Gunnar Elliott of Fort Wayne were the officials agreed upon by the mentors. Russell S. Julius of Shortridge was designated as the official timer and L. B. Maxwell of Manual as the scorer.

Kaufman, former star athlete at Shelbyville, has worked state tournament games for several years and is one of the state's best-known high school officials. Elliott officiates in many Western Conference contests and also is widely known in Hoosier athletic circles.

Julius and Maxwell have served in their respective capacities at the state tourney finals for more than a decade.

Supporters of the two youths, who have received state-wide press notices, will be on hand at Butler fieldhouse en masse to cheer the All-Stars and to lend the two boys particularly every bit of encouragement for them to play a good game and urging them to go forth like champions, which they really are, to show one and all that color of the skin does not keep basketball from zipping the "fish-nets."

Tickets will go off sale early Thursday afternoon and it was stated by officials that when the house is sold out the doors will be closed. Everyone is urged to get his tickets early.

To George Crowe and Howard Mitchell: remember that you two must play a good game, play hard and remain the gentlemen that you are until final whistle is blown, the Recorder sports writer advised.

Lockefield Rent Slash Effective September 1

Rental reductions affecting all families in the Lockefield Garden Apartments were announced at Washington Wednesday by Nathan Straus, United States Housing Administrator. The slash, which amounts to several dollars on each of the 748 units, will become effective September 1 and letters to this effect have been sent to the tenants.

Revision of the rental scale will open the \$3,000,000 project to groups of lower income, L. F. Artis, manager of Lockefield said.

Despite the fact that the new scale may make some tenant adjustment necessary, all such persons will be given ample time and proper aid in finding homes of a suitable nature, Mr. Artis stated. No person is expected to be returned real estate people are cooperating with government interests to the end that proper housing be made available to the Lockefield tenants who may have need of it, he said.

There will be government inspection of the housing which is to be opened to Lockefield tenants who may have need of it, Mr. Artis stated further, and declared that the rumors of tenants having to move before they could be suitably housed were untrue. Tenants will be given every co-operation, and consideration in which other housing must be sought, Mr. Artis said.

Under the new scale incomes will be graduated from an average of \$1120 to \$752. This aim is expected to be realized within eighteen months.

Care will be taken to guard against any mishaps as special chaperons will be appointed to observe and

prevent any carelessness. The matter of transportation and free food and free admission tickets will be published in the next issue of The Recorder.

The Recorder Newsies have assumed the responsibility of inviting their friends, those who have not had an opportunity for such a grand and enjoyable treat this year, to join them in this fete. Parents of these children will have to furnish their own means of reaching the picnic grounds but will have the privilege of consuming the free eats.

Grant \$1,000,000 for Training Race Pilots

Colleges to Offer

Aviation This Fall As Brown Wins Fight

CHICAGO, Aug. 18.—In a letter this week directed by Edgar G. Brown, National President of the United Government Employees, Inc., to the U. S. Civil Aeronautics Authority, Washington, D. C., the U. G. E. head indicated that Congress had definitely appropriated \$1,000,000 for training colored civil air pilots in colleges located near by modern air ports and at flying fields for five percent of those without previous college training.

Mr. Brown pointed out that the third Deficiency Appropriation signed by President Roosevelt Friday, August 11, 1939 at Hyde park, contained an appropriation for the C. A. A. Civil Training Program of \$4,000,000 for 1940, just one million dollars more than in the bill as it was first presented by Congress.

"It is quite obvious," said the U. G. E. spokesman, "that the Senate marked up the bill from \$3,000,000 as allowed when it passed the House of Representatives to \$5,675,000. Then in Conference the Senate and House Conferences finally agreed and approved \$4,000,000 which is now law. Senators H. H. Schwartz, (Dem.) Wyoming, has led the fight for the federal law authorizing the first participation of colored youth in the nation's air training and National Defense program. Two days before Congress adjourned, August 5, 1939, Senator Schwartz appeared personally before the Senate Appropriations Committee as recorded in the hearing on page 19. The following testimony is revealed in the printed record.

"Senator McKellar. But, the amount authorized is \$5,675,000, and I suppose that you want \$2,675,000.

Senator Schwartz. No, I want \$1,000,000 added to it.

Senator Nye. Making it even \$4,000,000.

Senator Schwartz. Even \$4,000,000.

Now I have some reasons for that. In the first place the amount now is inadequate for the program. That is, this \$3,000,000. In addition to that, the Aviation Corps of the War Department has tentatively made arrangements with certain schools over the country that will require even more than the sum carried there.

Now, when we passed the bill, the authorization bill which passed the Senate and the one which passed the House, both carried a provision that of the sum granted that there should be included one or more schools for the training of Negro pilots, and I have been in and out of the War Department and everywhere else down there, and so far they have not designated a school for the training of Negro pilots.

Senator Adams. You do not regard that as sufficient.

Senator Schwartz. No.

Now, I do not expect you to make it \$5,000,000. I think if you would bring it up to \$4,000,000 that would be sufficient.

Senator Adams. What do you mean by the authorization, authorization independent of the appropriation; authorization to contract?

Senator Schwartz. The bill authorizes these expenditures and it was amended on the floor to include a school or schools, one or more schools, for Negro pilots, and that is also included in the bill as it finally passed.

Senator O'Mahoney. Have any

plans been prepared for such a school?

Senator Schwartz. There is not any school designated; no.

Senator O'Mahoney. That is what I mean.

Senator Schwartz. I have had a talk with General Yountz and also had a talk with General Arnold and they said, of course, they were confronted with the race question, but they said there should be one or more of these colored schools which were equipped to send their officers down there and give them all of the preliminary training they could there, and also give them the training that the white boys get at Randolph.

Senator O'Mahoney. If this bill provided the additional appropriation, and your request was granted, would the training be afforded these colored boys who want to be trained as pilots?

Senator Schwartz. Yes; I think it would, because at the present time they have not gotten into the subject of how to equip one of these schools.

On page 113 of the Senate hearing on the Civil Air Pilot Training Program during the statement of Edgar G. Brown, National President of the U. G. E. who appeared before the Senate Appropriations Committee August 3, 1939, this question is recorded:-

"Could not your Committee add at least \$1,000,000 if you are unable to restore the appropriation to the original \$5,675,000 as authorized by the budget, and the Civil Aeronautics Authority training law passed last month by the 76th Congress?"

"In conclusion," Brown said in his letter to the C. A. A. It appears crystal clear to the U. G. E. that Congress by its action actually earmarked \$1,000,000 of this \$4,000,000 appropriated for air pilot training program exclusively for the benefit of training Negro air pilots at colleges near airports and flying fields beginning with the fall school term for those with two years of college credits and for several score others included in the five per cent quota set up in the C. A. A. law who are not required to have college training.

OLD RANGE ROUND-UP SALES CAMPAIGN GETS STARTED HERE

The annual Old Range Round-Up, a nation-wide sales campaign sponsored by gas manufacturers, dealers and gas companies all over the country, is in full swing in Indianapolis today.

The Citizens Gas and Coke Utility and local dealers are offering many "bargains" in gas ranges during this special sale and are making the suggestion that "now is the time to replace your old stove with a modern gas range." Considerable importance is being attached to this message, because, as they point out, the experience of new gas range owners has proven that it is not fair to compare the cooking performance of a ten-year-old stove with a modern, 1939 gas range.

One interesting survey, made

along these lines by an impartial organization, has shown that Indianapolis women, who already have brought new ranges or are in the market for new ones, are interested chiefly in cooking cleanliness—and that is the big feature that is selling more modern gas ranges today.

Old Range Round-Up time is the time to look at modern gas ranges! Visit the gas company's offices at 49 South Pennsylvania street or see your own favorite gas range dealer. It is your "economical" opportunity to replace your old stove with a new gas range that will be a step forward in the modernization of your kitchen and your assurance of true cooking cleanliness.

In The Swim AT DOUGLAS

(By Joyce Venerable)

From the looks of that massive crowd last Friday evening it seemed as if most everyone in Naptown came to Douglas playground to witness the PARADE OF THE PARKS.

Bert Summers and his Swing orchestra was there on time and just "rarin" to go. The stage was practically "littered up" with jitterbugs, (as a matter of fact, this performance was more of a JAM SESSION than a Variety Show.)

After an intro by George Knox, Philmore Hutchins and Sam Jane English made the first "cut in the rug"—and it was a whopper! Following in their footsteps was little Baby Ann Dunlap, who tapped to the tune of Flat Foot Floogie.

Every song that has ever been on Your Hit Parade was sung, and when I say sung, JACK, I mean they were SOLID SLAYED!!

Four or five participants LOST THEIR YELLOW BASKET, then about six or seven went to work and FOUND IT for them. If THE ANGELS SANG once, they sang three times, but each time, the singer received a large hand clap. SMALL FRY got its gicks in once, or twice too.

When Bert and the Boys swung such numbers as "THE ONE O'CLOCK JUMP, JUMPING AT THE WOODSIDE, AND WELL ALRIGHT THEN, they had every youngster and older in the congregation bobbing up and down—(especially Miss Gladys Cook).

Two tap dancers from Belmont Park, (I think their names were Jessie and Joseph), with their imitations of Bill Robinson and Rochester would have stolen the show if it had not been for the little lady who sent all the kats to the groove by singing MAMMY OF MINE.

After listening to several funny jokes, Hill Center went DOWN BY THE OLD MILL STREAM, and built a STAIRWAY TO THE STARS. Shortly afterwards came the grand finale—Then everyone shuffled home, satisfied with a WELL SPENT EVENING.

Swimmers will be pleased to know that Head guard Hughes has announced the collection of Trophies for the Swim Meet.

Herbert C. Willis, prominent undertaker and sports lover, has led the way with a very substantial donation. Other persons will be approached within the next few days for their contributions.

Anyone wishing to donate trophies may call the Swimming Pool, Ta. 7019, one of the guards will be OVERJOYED to come after it.

Trophies and awards encourage youngsters to become better swimmers, thus developing finer and healthier bodies.

This meet is an annual city-wide occasion and will draw hundreds of persons. Business and professional people rally to make it a gigantic affair.

Many a boy and girl would be made happy if Park officials allowed the Public Parks to remain open until Labor Day. As it now stands, the closing date is set for August 25—School begins around the fifth of September. During

Ohio and Mrs. Elizabeth Moore of Memphis, Tenn., and an uncle Hardy Elliott, of Memphis, Tennessee.

A few of the out of town persons attending the funeral were the Rev. F. Adams, editor of the Indiana Herald Weekly, Dr. Turner and Ray Armstrong, state secretary of the colored Elks, together with their party from Muncie, Ind., Mr. Guy Blaine, state Elks president of Indianapolis; Mrs. James Martin of Chicago and the grand daughter ruler of the Daughter Elks.

those 10 intervening days, streets are certain to be filled with delinquent children, having nowhere to go, and nothing to do EXCEPT get into trouble.

EVERYBODY'S talking about it—Yep, it's the topic of discussions. But—ACTION speaks louder than words, so why not take time out and drop a line to Mr. Wally Mid-dlesworth in care of Park Recreation.

If all local clubs would get to work on this movement right away, it may be granted. You'd be doing the kiddies a BIG favor. Among the pool's most welcome visitors last Monday were Raulins Maycock from Chicago, who is contemplating an indefinite stay here, working at the Indiana Book and Bible House and Mr. Maurice Gens, a local jitterbug from Harlem.

The Volley Ball finals will be played at Camp Sullivan, one o'clock Wednesday afternoon. Jack Durham, last year winner of the 100 yd. dash, will be out defending his title for Douglass Park. Coach Holliday stated last week that his team was in tip-top condition.

At their meeting last Thursday night, the Douglass golf club completed plans for the Club tournament. This will be team played, Sea Ferguson is captain of team A, and Jack Henderson of team B.

This game is open to club members only and will get underway

(With JOYCE VENERABLE)

Johnnie Matthews sat down one fair morning and he thought and thought. He pulled the hairs on his chinny chin chin and finally came to one definite decision — "To woo himself a wife!"

So this modern "Jessie James," unarmed — (put his two sawed off shot guns in the dresser drawer), slipped on his most draping pair of drapes, his biggest big apple hat, and his triplest triple 'A' shoes and went in search of a mate.

BEHOLD!! He looked upon one — (But she was too tall.)

Ah-ha! — he saw another dame — (But she was too tall.)

And THEN came Miss Frances B. the cutest living doll he'd ever laid eyes on — (and she was "just right.")

So he wooed her — and won her. They'll probably be married in two weeks — or two months — or maybe two years — But what does that matter — just so they're together.

The four everpopular Sixteen-street kate, Henry Robinson, Charlie Jackson, John Matthews and Charles Hill, took time out last week, hopped that last minute "Traction Express," and rode as far as Ft. Wayne, where they got their kicks in.

Our friends lay dead, played crazy, and had a swell time for a few consecutive hours — but by and by became homesick.

Now since the Traction Express offered no "round trip tickets," they were compelled to "huff it" all the way back to Naptown (and were their feet tired?)

Little Sir Eicicle is determined to be best man at Mr. Taylor's wedding, but if he only knew what Dorothy B. and I know — he'd have sense enough to realize that one of those "fellows" won't be needed for a long time — Perhaps never — Catch on??

Miss Elizabeth Harris, better known as The Dipside Doodle, returned last Saturday to the Windy City, for a short stay.

She left to mourn — one James L.

Speaking of mourning — you big

husky fellows in Lima, Ohio, can dry the tears from your eyes now, because the once lost Madame D. McFarland has been located.

Where ever you see George Peck, Boystown Athletic Director, there she will be also.

However Miss McFarland frankly admits that a spark of your love still burns in her heart — She'll be swinging with you again by Xmas, so just hold tight.

Some folks wonder what the Douglas Park caddy boys do besides "tote" a golf bag around all day. Well here's the latest dope on their activities:

Robert D. Anderson and Richard Black are being called "Hoboes" because they've beat a path across the Twenty-fifth st. Monon tracks going to see their girl friends.

When David "Lover" Bridgeforth, better known as Romeo, walks upon his Juliet's front porch and another outsider is there with her — this other guy automatically makes a swift EXIT.

Wilbur "Cope" Hannon, the Houseman, has popped his fingers so much that they're in splints.

Kat Ellison and Couston White-side have been lushing daily for a week.

Little Arthur Williams and Chuck Wimbley are the littlest big shots in the Caddy Club.

And this covers every one except Nolan "Butch" Young, who has just recently given his girl up to Johnson "De Roach" Thurman.

Believe it or not, but Brother Frank Jones made an open statement last week, declaring that he was "salty" on all girls.

This light heavy-weight boxing Romeo begins training next month. The "golden gloves" are practically his now.

Someone should make a move to move Robert Cox off "The Hill" before he makes a collection of EVERYBODY'S girlfriend.

He and Sir Galahad Wade will meet Monday at dawn to "duel" over lady D. Dukes.

Our good friend, the Ink Spot, wonders who will weep during the absence of Joseph Carroll. Listen, Mr. Mystery Man, send me your address, and I'll tell you how to get the "key to the shack."

Who were the two Dayton, Ohio chicks that were detained so long in St. Louis by our Northside Milan B. and Milan J.?

Francis Gaddie, the woman hater's brother is reported by that kat living 545 Stooze Street, to be sweet on Miss Mary L.

The Pleasure Buddies have changed the date of their miniature Jam Session from August 28 to August 29.

So Long and by the way: Zenobia Skillman was sweet sixteen last Sunday. Has she ever been kissed??

If yours truly doesn't cut her "Wisdom Tooth" before next week, she'll be with you again — beating up the GUM.

P. S. — I made my exit too soon. I almost forgot to tell you that the Pleasure Buddies club party August 20th will be a FORMAL affair in honor of Miss Beth Driver's seventeenth birthday. You twenty-fifth street cowboys had better start saving your nickles so you can "rent" a top hat and tails.

And listen, don't forget to get your tickets for the all-star game Friday night. Remember, we have a recently graduated basketball star, Howard Mitchell playing on the all-star team, so come out one hundred strong and root.

M. S.—Will I be successful in completing my profession and make good in life with my work and my husband?

Ans.—There is no doubt but what you'll complete your training and begin work — the help that you give your husband will make it possible for you two to put away a nice "nest egg" and buy the luxuries that you two dream about so much.

M. W.—The married man I go with is jealous of me and the single man I love is the one I really want. Tell me which should I give my time to?

Ans.—Single men should be the only ones that you or any other girl should consider going with. You can't profit anything by associating with married men — but the single fellow does admire you greatly but he won't if you don't drop friendship with this other party.

J. R.—I am a sophomore in high school and would give anything in the world to play football this next fall. Should I go out for the team or forget the whole thing?

Ans.—By all means go out and make a stab at the team. You won't make the first or the second team — but there is a possibility of your making the third string. The exercise and associating with the fellows will do you a world of good.

B. M. C.—He has spoken of marriage several times, but I would not talk on the subject because I feel that he suffers with an inferiority complex. Tell me does he want to marry me?

Ans.—Men don't get down on their knees and beg a girl to marry them these days — they approach the subject and they feel if the girl is interested — she will help him along. Since you know that he has an inferiority complex, is all the more reason you should help him express his visit to marriage. You could win him if you tried.

S. W.—I have been boxing amateur and self trained for 2 years. My friends regard me as a good heavyweight prospect. Having this ambition, I am 23 years of age, weigh 194 lbs., and 6 ft., 1 inch tall. Would it be hard for me to secure a manager in the north?

Ans.—You can't hope to accomplish much in the boxing game situated as you are — in the deep south. There are too many obsta-

cles to hurdle and the quickest and easiest way to get started is to go north. I suggest that you go to any of the big cities such as Chicago, Detroit, Cleveland, or New York. These cities have Golden Glove Tournaments — if you can get to the top through winning the Tournament, you will then be in a position to get a manager. A little Tournament experience will prove to your satisfaction if you have what it takes to make the grade.

W. E. R.—I have three years more in college before receiving my degree. After getting my degree which one of the traditions do you think I will be best suited for, medical career, dentistry or to work for the Ph.D. in higher college?

Ans.—I favor the course in Medicine or Dentistry for you. You possess the characteristics of a reputable Doctor and I feel confident that you would be contented and happy in work of this kind. Seek your higher degree if you like, before taking up —

T. A. D.—I love my wife and child desperately. Our separation was caused by her mother. I wish to know if I should leave town or go to my people and send for her.

Ans.—Heaven's no. She wouldn't like you people any more than her people liked you. Make a change if you like, but get down to brass tacks and find you a job so you can take your wife and baby to live with you. She will come, but you must support her before you expect her to give up her bread and butter where she is now.

J. B. E.—My wife and I have read the column for years and I know if you put my question in the paper she is bound to see it. We always called her "Little Bit." I want to locate my darling little wife and make up for everything that has been done. She is really the only little girl I will ever love. I realized it soon after I'd left her. I was cowardly and ashamed to back. She is great for traveling, but I know wherever she may — she will always read the paper and your column and she will see this. Thanks a million and please try to help me.

Ans.—Conditions have changed greatly during the years that you two have been separated. Indications are that you will come in contact with your wife again, but it does not appear to be in the immediate future.

Ans.—You can't hope to accomplish much in the boxing game situated as you are — in the deep south. There are too many obsta-

sored by the Grade A.M.E. church was a success.

Mrs. Minnie Redmon and Vern Reed who have been ill for some time continue ill.

To Get Medal

DR. M. D. WISEMAN, Washington, member of the executive board and chairman of the National Program committee, will be presented with a medal for meritorious service to the National Dental Association during the convention held in New York City, August 14-18. Dr. Chas. S. Fairclough of the North Harlem Dental society will make the award on behalf of the association in the "Garden of Security" on the Field of Special Events at the New York World's fairs grounds during the celebration of National Dental Association day Thursday.

Dr. Wiseman has been an active national officer since the early 20's, having served as national president in 1933-34, subsequently being placed on the board. His position as national program chairman is the hub around which the convention plans are formed and carried out, therefore his duties are continuous with the clearing up of one meeting and preparing for the next year's gathering.

At the close of the convention, he and his wife, Mrs. Myrtle Wiseman, will embark on a month's tour of the Bermuda Islands returning to his practice around September 20. AN.

The Fifth Annual Youth Movement picnic and outing will be held at the beautiful McCormick's Creek State Park near Spencer, Indiana, Sunday, August 27. Each summer the organization visits one of Indiana's state parks to acquaint Indianapolis youth with some of the beauty spots. Last year a group of thirty young people travelled via bus to Turkey Run Park.

McCormick's Creek located on road 46 near Spencer, Indiana covers an area of 573 acres. It is located in the White River valley in Owen county and has within its boundary some of the most majestic scenery to be found in the state. It is at the edge of the stone belt and is noted for the quarry from which some of the foundation stone of Indiana's state capitol was taken. Ravines, gulches, and wooded slopes with the falls of McCormick's creek are among the many attractions.

A field museum with live and mounted animals, tennis courts, horses, hiking, and many other attractions are to be found in this park.

A bus has been secured for the picnic and reservations may be secured by calling Miss Louise Coleman at 789 West Twenty-fifth Street who is general chairman of the outing. The group will leave the Y. M. C. A. at 7:30 a. m. Sun., Aug. 27th.

REPORT RECORD

Louisville M. E. Meet

(by B. F. SHOCKLEY)

The Louisville District Conference in session at Asbury M. E. church, Owensboro, Ky., August 9th-12th, closed one of the most memorable meetings in the history of the Louisville District.

Under the leadership of our new, able and conscientious Dist. Supt., Rev. T. H. Hines, there was manifested a spirit of unusual efficiency, a prompt dispatch of business, and a harmonious spirit of brotherly love. Rev. Hines, by his method of administration of the affairs of our District Conference, demonstrated that he is a man of no mean ability, a wonderful executive, and one who is endowed with a keen, and analytical mind. The Louisville District bids fair to go far under his tactful, understanding, and efficient leadership.

The conference got off to a fine start Wednesday morning, with Revs. R. F. Broadbent, and E. S. Bailey in charge of the devotional period. Rev. Ross of Jefferson-town, Ky., delivered an inspiring preparatory to the administering of the holy communion. Rev. C. V. Haynes was elected for the third consecutive year as secretary. The following committees were appointed: On Memorial, Rev. J. H. Boling, chairman; On Resolutions and Courtesy, Rev. B. F. Shockley, chairman. The writer also was selected as representative of and reporter to the Christian Advocate Southwestern Edition.

At 11:30 a. m., a letter was read from our Bishop R. E. Jones conveying his regrets that he was unable to be present; and admonishing all concerned to do their utmost to make the session a profitable and noble one.

At 9:30-10:00 p. m., a grand reception was given in honor of the newly appointed District Superintendent and his family. Mrs. T. H. Hines was the center of attraction, wearing a blue, form fitting dress with gold, touching the floor; and large puff sleeves. Her slippers were silver toeless and heeled pumps, edged with gold.

On Thursday the Youth Council was in charge after the election of the following officers; Pres., Mrs. Ruby Jackson; Vice-Pres., Mr. James Wilson; Recording and Corresponding secretary, Mrs. Florence Edmonds; Treas., Rev. C. O. Greene. The worship service was impressively conducted by Mrs. Florence Edmonds, Mr. James Wilson and Miss Ida Barton assisting. It's

theme was: "What Shall I Do With My Life?" The sixty Young People present showed such a great interest and zeal, and such a high plane of co-operation and reasoning as to assure a higher quality of work on our district spiritually, socially, and financially. A plan was adopted wherein each church is to set aside a special day, annually, to be known as "Youth Day."

In the meantime, Miss Addie Chinn, Pres. of Asbury Church's "Youth Council," was presented to the body. At 4:30 p. m., Revs. J. P. Pierce and E. L. Briggs were presented to the Conference. Rev. F. P. Fielding, Pastor Emeritus of Asbury Church, and the oldest minister of the Lexington Conference, who, after his retirement sometime ago, handed the torch of magnificent service to a younger generation of ministers, graced the conference with his stately and dignified presence.

Our host, Rev. L. R. Simmons, and wife, and his loyal members and friends spared no pains to make our sojourn in Owensboro an enjoyable and comfortable one, and there were continually on their faces smiles radiating the essence of welcome and hospitality.

Other highlights of the conference were addressed by Mrs. L. H. King, and M. L. Harris Thursday night. The former is pastor of the great St. Mark M. E. church, New York City, N. Y., and the latter president of Philander Smith College, Little Rock, Ark. A superb, witty, and thought-provoking address was given by Dr. D. E. Skelton, Dist. Supt., of the Indianapolis Dist., Friday night. Dr. Skelton's subject was: "Youth Facing the Future." We shall long remember the challenges, implications, and somber reflections of Dr. Skelton's masterful address.

Dr. L. H. King, true to his custom, held the attention of the audience throughout his eloquent address, which had as its theme: "The place of Negro Methodists in the United Church."

Prof. James Wilson, and Mr. D. L. Williams, Jr., respectively, were elected president and secretary and treasurer of the District Stewards.

The following delegates were elected to the Area Council: Ministerial: Rev. L. R. Simmons, and Rev. B. F. Shockley. Lay: Mrs. Edith White, Youth: Mrs. Ruby Jackson, and Miss Emma Swett.

The seat of our next District Conference is Shelbyville, Ky. (Rev.) B. F. Shockley, reporter.

Jesse Owens Gets Hero's Welcome in Kans

Returning to Kansas City three years after his widely heralded exploits in the 1936 Olympic games in Berlin, Jesse Owens was still a hero and a champion to the thousands of youngsters and grown-ups who watched him perform recently. Coming with the Toledo Crawfords ball club of which he is part owner, Jesse thrilled 5,000 persons in Ruppert stadium Sunday afternoon when he demonstrated his track prowess between the twin games played by the Crawfords, and the Kansas City Monarchs.

In the top photo, Jesse is being welcomed to the city Saturday morning by C. A. Franklin, editor of The Call.

In the middle picture, Jesse is shown surrounded by youngsters as he talked to them briefly Saturday afternoon at Waterway park in Kansas City, Kas. He told the kiddies that if they wanted to grow up into

strong men to get plenty of rest and eat the proper food. He also talked and demonstrated how to run for a group of boys at the Lincoln high school stadium.

Below, Jesse is shown just before he began a 15-minute broadcast over station KCKN. He is being introduced by Dave Chapman, sports commentator on that station.

Red Caps Charge Local Terminal with Intimidation

Charging intimidation of Federal witnesses and violation of Section 15 (a) of the Fair Labor Standards act, the International Brotherhood of Red Caps this week filled complaints against the Indianapolis Terminal Railroad company and Supt. J. J. Liddy before the regional office of the Wage and Hour administration.

According to reports, Cruze was called into the office of the superintendent and was questioned concerning an affidavit he had signed pertaining to working conditions which was one of the affidavits presented by the brotherhood before the hearing. Upon admitting that he had submitted an affidavit, the superintendent became abusive and began questioning him concerning various points in the affidavit. Cruze pointed out that since this had taken the semblance of an investigation, he

per representatives. At this point the official ordered his discharge. When informed of this action, Secretary-Treasurer John L. Yancey of the brotherhood dispatched a wire to Administrator Elmer F. Andrews, calling his attention to this violation of Section 5 (a) of the act. A formal protest, citing the prohibitive acts of the law, was sent to Superintendent Liddy which demanded the reinstatement of Cruze with pay for loss of time. Later President Willard S. Townsend of the brotherhood went before

DETROIT HOST TO SHRINE'S 29TH SESSION

DETROIT, Aug. 18. (By Robert A. Crump for ANP) — The 29th annual session of the Imperial Council A. E. A. O. Nobles of the Mystic Shrine, the 29th annual session of the Imperial Court, Daughters of Isis, and the Fifth Biennial Conclave Grand Encampment Knights Templars of North America and allied bodies met in joint session here Aug. 6-12 at their headquarters with Noble John H. Murphy, Imperial potentate, at the helm.

The joint memorial services held at Bethel A. M. E. church Sunday afternoon and night were only sparsely attended owing to late registration of delegates, many of whom did not arrive until Tuesday. While it had been previously stated by the local committee, host to the conclave, that there would be some 20,000 Shriner and slr knights and daughters in attendance at the convention, the registration books Monday noon showed only 1,350 registered Masons.

A very impressive public reception was held Monday morning in the auditorium of the Miller High school, when Mayor Richard W. Reading extended welcome on behalf of the city, to which Dr. J. H. Blackwell, Richmond, Va., responded. Other speakers on the program who either extended welcome or responded to welcome addresses were Dr. George W. Baber, pastor, Ebenezer A. M. E. church; Noble Elmer L. Wallace, grand master, Michigan; Carlton W. Gaines, president, Booker T. Washington Trade Association; Noble John W. Dobbs, Atlanta; Sir Knight W. H. Perry, Louisville; Dr. Sallie M. Stockton, Washington; Noble H. York Harrison, P. G. M. Flint, Mich., with John H. Murphy making the closing remarks.

The business sessions peculiar to the mysteries of the order began in earnest Monday afternoon when the red fazed nobles gathered in large numbers at headquarters to hold an all day session interspersed with brief recesses.

The Monday night session brought together in international conferences four branches of this allegorical order, such as the grand chapter O. E. S. grand masters, past grand masters and grand secretaries; grand chapters Royal Arch Masons and Herolines of Jericho.

KP CHANCELLOR ENDS TOUR OF CUBAN LODGES

MARIANO, Cuba, Aug. 18. (By R. M. R. Nelson for ANP) — Sir A. T. Watkins, supreme chancellor of the Knights of Pythias, last week concluded his 10-day official trip through Cuba, visiting the lodges of the order organized here by Cuba's Supreme Deputy Chancellor Sir John A. Deveau. Chancellor Watkins visited the six provinces of the island and now understands why Columbus was so effusive in praise of Cuba and why Humboldt glorified it.

Mr. and Mrs. Watkins left Cuba by plane for Detroit, Mich., where the biennial convocation of the Knights of Pythias and Court of Calanthe will be held Aug. 14-16. They will be able to give glowing accounts of the first grand lodge of K. O. P. S. organized in Cuba and of the fraternal and social welcome accorded them during their Cuban tour.

LOUISVILLE, Aug. 18.—(By Christine Ison for ANP)—Charles W. Anderson, Jr., young Louisville attorney and incumbent member of the Kentucky legislature from the 58th district, won renomination in a bitter and hotly contested primary election here, defeating his opponent, Lee L. Brown, by a vote of nearly 20 to 1 after a campaign which lasted more than five weeks. Under the Kentucky slow method of counting votes, the result was not announced until Friday, Aug. 11, while the primary was on Aug. 5.

At the conclusion of counting votes, Mr. Anderson had carried every precinct of the 22 in his district with a total vote of 893 against 72 votes for his opponent. In Mr. Anderson's first bid for public office in 1935, he defeated Mr. Brown in the Republican primary by a vote of 6 to 1, after which he defeated his Democratic opponent, Atty. C. Eubanks Tucker, and became the first Negro legislator in the history of Kentucky; if he is re-elected in November, it will be his third term in office.

During the past four years, he has been the only Republican officeholder in the city of Louisville, white or black, having survived two Democratic landslides.

CONGRESS ASKED FOR D. C. NURSES' FIGHT

WASHINGTON, D. C., Aug. 18.

Representative Jennings Randolph and Senator William H. King, chairmen of the House and Senate District Committees respectively, were urged today by the N. A. A. C. P. to "stand firmly behind" the District of Columbia Commissioners in the latter's refusal to heed the demands of white nurses at Glen Dale sanatorium to bar Negro nurses from the civil service lists.

In identical telegrams sent to Randolph and King today, Walter White, national executive secretary of the N. A. A. C. P. said:

"The National Association for the Advancement of Colored People respectfully but vigorously urges you as chairman of District committee to stand firmly behind Commissioner Hazen in his refusal to bow to demand of some of white nurses at Glen Dale sanatorium that qualified Negro nurses who have met civil service tests be not appointed. Action of white nurses in making such demands is an incredible and undemocratic procedure wholly contrary to highest standards of ethics of nursing profession."

The D. C. commissioners are preparing to name sixteen new nurses to the hospital staff at Glen Dale. Under a recently enacted budget law, they are required to take their names from the civil service lists.

EXCERPTS FROM

Dorsey's Address
At Gospel Convention

National Convention of Gospel Choirs and Choruses, August 3, 1939, East St. Louis, Ill.

The love for music can be explained in many ways. We have an organism that registers music and responds to it somewhat like a resonator. Not only the central nervous system is affected, but the peripheral nervous system, all muscles, all the internal organs, and especially the autonomic system with the endocrine system which furnish a physical basis for emotion. The whole body is put into a glow of well being by the pleasure of hearing musical sounds.

A single sound may be beautiful in itself, like a flower or a human face, the untutored mind and the musically trained ear can alike delight in their charm quite apart from their utility in building up musical form.

Delight in harmonic structure, the melodic progressions, the rhythmic patterns, the qualitative modulations, in the flow of beautiful sounds is another reason for love of music. Music carries us through the realms of creative imagination.

We love music also because it is the language of social bonds, another writer has said that music is the language of the soul, but music is a message that can move racial and other groups into concerted action and into a feeling of common fellowship.

We love music because it is a means of self-expression. It furnishes us with the joy of putting into a fitting medium our love, our fears, our sympathy, our feelings of fellowship and our communion with God. Our gospel songs find a great place in this musical world. The variety is so vast that a song can be furnished for every occasion and every condition, they have heart felt music and are songs of the soul.

I am fearful that we do not know what a great value we have in our gospel songs and spirituals, especially those that were born out of trouble and a real condition, those songs that were a spontaneous outburst of the troubled hearts of the many thousands of Negroes who habited the southland from 1620 to this very day. Many of these songs came out of the hearts of these people.

Bob MacGimsey, white songwriter from Pineville Parish in Louisiana, and who wrote the

latest radio song hit that the bands are swinging, call Shadrach Meshach Abednego, MacGimsey has written a great number of songs he calls Negro spirituals, but no white man can truly interpret the true meaning of the Negro's song like the Negro himself.

When David slew the giant Philistine and returned from the slaughter, the women came out of all the cities of Israel singing to meet the king with joy and with instruments of music, and the women answer one to the other as they sang and played Saul hath slain his thousands, but David his ten thousands.

David was considered as the greatest musician and singer of the Bible, in all of his many activities throughout his whole life he never forsook his music; when he ordered the ark of the Covenant to be moved by the Levites and he carried to the place that was prepared for it by the word of the Lord, David spoke to the chief of the Levites to appoint some of their brethren to be singers with instruments of music, psalteries and harps and cymbals lifting their voices in songs of joy unto the Lord. So the singers, Hemen, Asaph and Etham were appointed as well as those who manipulated the instruments.

I want to make a little report on my stewardship for these seven years as your president. In seven years I've made to choruses throughout the country 231 trips. I have gone to choruses in Chicago, in seven years, 237 times! I have given to choruses throughout the country \$849.23; I have given to Chicago choruses \$426.00; I have spent in railroad fare visiting choruses and unions in seven years, \$6,239.25; I have received back from these choruses on this railroad fare only \$2,373.25 which leaves me to have spent out of my pocket to visit these choruses and unions \$3,911.00.

I do not regret one bit the work I have done, but I do regret that I have not spent in getting to these different choruses, for I have found a great joy in the work, a great and grand satisfaction in the association with these angels of song and children of God. With all the work and all the expense, I would not exchange places with a millionaire with his millions, or a king on his throne.

WILLIAMS HEADS

National Baptist
At World's Fair

The National Baptist convention, led by Dr. L. K. Williams of Chicago and his staff of officers and a multitude of followers, will invade the World's Fair at New York, September 11. The convention with the largest membership of any Negro group in the world will close its sessions in Philadelphia Sunday night, September 10, and move into New York early Monday morning in readiness for the Convention Fair day. The headquarters for the meeting will be at the Mount Olivet Baptist church, 120th street and Lenox avenue, Dr. O. C. Maxwell, pastor. The New York Ministers' Conference, the New York Baptist Convention and the New Jersey and Pennsylvania conferences and conventions are already formed into committees to make the Baptist Day at the Fair the biggest and most colorful day the Fair has had.

All Baptists and their friends are asked to meet at exactly 2:15 p.m. at the Temple of Religion. The Temple of Religion will be the meeting place where the religious services will begin and where there will be delivered a message to the world by Dr. L. K. Williams, president of the National Baptist convention, Inc. The music for the occasion will be furnished by the Concord choir of Brooklyn, directed by Prof. Boatner, and the Mount Olivet choir of New York, directed by Prof. Dyer, and the convention choir of Philadelphia, directed by Prof. Dorsey. There will be a parade from the Temple of Religion to the Court of Peace.

At 7:15 p.m., a public meeting will be held in the Court of Peace at which time the Mayor of New York and the President of the Fair have been invited to address the Baptists.

The book is L. A. G. STON HUGHES. Naturally no book of poetry is completed without some of his verse. Countee Cullen was among those missing.

The book is appropriately dedicated to James Weldon Johnson. Be sure and inquire about this volume the next time you are at your Branch Library.

NOT FOR JUST AN HOUR

by Fanny Heasley Lea
This modern and entertaining novel of a gay and amusing young married couple, Kit and Greg Jones, was serialized in McCall's magazine. Kit was the only child of a divorced couple, her father was either very flush with money or totally broke and in either condition he was one of the world's most pleasant creatures.

Her mother, Lydia, was one of those unfortunate women whose whole life depended upon some male with gobs of money.

Due to a bad moment with one of her husband's best friends Kit was forced to leave her husband. This she did with a heart full of sorrow because she knew she was wrongfully accused.

After several bad months working as a travelling companion for a mutual friend Kit drifted back

Mississippi's Song of the Soul Makes Hit on Recent Tour

From the deep South went Mississippi's Song of the Soul under the direction of Anselm Joseph Finch, leading Race writer of the Magnolia State. This aggregation of singers were the only official representatives Mississippi had at the New York World's Fair, having been endorsed by Governor Hugh White of Mississippi, Senator Pat Harrison, the state American Legion and the white state teachers association. While in New York, Songs of the Soul was the guests of the

National Broadcasting Company and did an NBC net work program July 15. They also sang at the Washington Tabernacle Baptist church in St.

Louis, the Gospel Singers' Convention headed by Prof. Thomas A. Dorsey which convened in East St. Louis, Mount Paran Baptist church, Indianapolis.

GAS CONSUMERS
REACH RECORD
HIGH FOR JULY

In each of the first seven months of this year, the number of gas customers in Indianapolis has reached an all-time high with the July 1939 record standing at 87,602 metered users, according to Citizens Gas and Coke Utility officials.

July's gas meter mark was 287 higher than the previous record setting month of June 1939, and 3,189 higher than in July 1938.

Total gas consumption for July 1939 also showed an increase of 19,446,100 cubic feet over the same period a year ago—this year's July gas sales totaling 290,646,100 cubic feet.

Of this total gas consumption, 75,970,000 cubic feet was used by local industries. This was a 30.9 per cent. increase over July 1938 and is indicative of an increased industrial activity as well as of the satisfaction resulting from the two rate reductions made since the city took over the operation of the gas company.

Gas house heating consumption of 2,750,000 cubic feet, which is naturally low in the summer, also showed a substantial increase over the same period of a year ago. In

NEW YORK BOUND FOR CONTEST MEMPHIS BLUES CHANTERS

Marching Choir of 60 Brown Beauties Threatens Harlem Supremacy.

by George S. Schuyler
New York, Aug. 17.—When the Memphis delegation to the Negro Elks convention hits Harlem on August 21, to stay a week, it boasts that history definitely will be made for Harlem swing supremacy, hitherto unquestioned, will vanish before the warbling of the blues.

Long noted for "doing up brown" whatever it undertakes, Beale street is not only sending the biggest delegation, as befits the largest Negro Elks lodge in the south, but with it will be the famed Booker T. Washington high school drum and bugle corps led by Prof. Blair T. Hunt. Considered the finest all-girl aggregation of its kind and composed of the prettiest brown beauties along the Mississippi, it symbolizes the spirit of Beale st. and its glamorous and melodramatic past. These sixty dusky debutantes will "send" New York by singing and playing along the line of march the Blues that have made Memphis more famous than its namesake on the Nile.

"Father of the Blues" to Lead
Hending the huge Memphis delegation, with its blues-chanting choir and the celebrated Beale Street Marching club, will be the patriarch of jitterbugs, famed W. C. Handy, composer of "Memphis Blues," "St. Louis Blues," etc., who started America on its way to syncretized supremacy. Robert R. "Bob" Church, millionaire Negro political leader of Memphis will ride in the limousine with Handy.

as will Lieut. George W. Lee, Memphis insurance man and author of "Beale Street: Where the Blues Begun" and "River George."

Colorfully uniformed delegations representing Negro Elks from forty-three states will be in the line of march, but Beale Street swears that neither the lilies of the field, the jungle birds with their gorgeous plumage nor Solomon in all his glory will compare with its chanting girls and colorful uniforms. Even Mr. Whalen's boys at The World of Tomorrow will be eclipsed it is said.

Memphis Raises \$1,800 for Trip
So proud is Memphis of its gorgeous all-girl drum and bugle corps that white and colored citizens have joined in raising \$1,800 to pay the brown beauties' way to Gotham. E. H. Crump, Congressman and Memphis political boss for whose early campaign Handy wrote the famous "Memphis Blues" has donated \$500. Other white people of the city have contributed liberally while the Negroes have gone deep in their pockets to finance the trip.

Crump claims that the average Northerner has no conception of the real Memphis Negro population and he believes these comely maidens in their trim uniform singing the Blues on Broadway will make staid New York sit up and take notice, and be a good advertisement for the West Tennessee metropolis.

The 88-girl aggregation is scheduled to arrive late in the afternoon of August 21, and will be housed at the beautiful Emma Ransom residence of the 137th Street Y. W. C. A.

BLUES BY THE BUNCH.
There are enough new blues records this week to please even the most rabid fancier of this type of music. Decca has just released Album 59 with 10 sides sung by Teddy Grace accompanied by an all-star band. Titles are DOWN HOME BLUES and MAMA DOO-SHIE; OH DADDY BLUES and GRAVEYARD BLUES; ARKANSAS BLUES and BETTY AND DUPREE; YOU DON'T KNOW MY MIND and GULF COAST BLUES; and HEY LAWDY PAPA and LOW DOWN BLUES.

Miss Grace, who has a warm clear voice, will be compared with Mildred Bailey who recently waxed six blues sides. Miss Grace turns in the better performance on Arkansas Blues, but the palm goes to Miss Bailey for Gulf Coast and You Don't Know My Mind blues. However, both singers have different approaches and styles, and in her way each is tremendously effective.

There is also fine accompaniment. Billy Kyle plays piano and O'Neill Spencer drums on all 10 sides. Sonny Lee's trombone is heard on three, Buster Bailey on three and Charles Shavers' trumpet on four numbers. These stars also have solo parts. While all five platters are successes, the best of the lot is Low Down Blues.

A newcomer to the trade is BlueNote Records of New York, specializing in improvisations for platter collectors and genuine enthusiasts. They have just published a 12 inch disc of MIGHTY BLUES and ROCKING THE BLUES. Featured are Teddy Bunn, my favorite blues guitarist; J. C. Higginbotham on trombone, Frank Newton on trumpet, Albert Ammons on piano and Sidney Catlett on drums. These stars were at their best when these numbers were cut, and each plays the blues from his soul. The first number is slow and meditative, the second emphasizes boogie woogie rhythm. If you want blues as they really should be played, grab a disc.

Remember Trixie Smith? She won a national blues singing contest around 1921 and recorded for Black Swan. This week Decca issues a new version of MY DADDY ROCKS ME coupled with NO GOOD MAN, both decidedly indigo with grand accompaniment.

Diskey Dalley's band uses boogie woogie rhythm on PENSION BLUES and less exacting styling

on CAN CUTTER BLUES for Vocalion. Includes some tough harmonica. . . . One of those songs with a double meaning, LEMON ROLLER, is coupled with FORSAKEN BLUES by Lee Brown for Decca. . . . Little Son Joe's MY BLACK BUFFALO is similar in effect for Vocalion. The coupling by Monkey Joe is MOBILE AND K. C. LINE. . . . Floyd Ray also gets low down on JAMMIN' THE BLUES with Ivy singing. The reverse of this Decca is the oldie, SIDE BY SIDE, with the trio doing a swell job. His band is still rough and the trumpet player wild.

OUT OF THE BASEMENT.

Mounting from the basement to the first floor, you have Glenn Miller's Bluebird of SOLD AMERICAN and PAGAN LOVE SONG. This is a real treat in hot jazz, with Tex Beneke's tenor sax positively terrific on both sides. . . . Jimmy Dorsey's Decca of THE JUMPIN' JIVE and SHOOT THE MEAT BALLS TO ME, DOMINICK 'BOY, is okay but not outstanding except for the leader's alto and clarinet. . . . Jack Teagarden is much better than usual with that zany ditty, LITTLE MAN WHO WASN'T THERE, and YOU KNOW A Brunswick. . . . Both Tommy Dorsey and Artie Shaw have waxed the same numbers for Victor and Bluebird respectively, GO FLY A KITE and A MAN AND HIS DREAM. Typical performances by both organizations.

Teddy Wilson's first platter with his new band, the Brunswick of THE MAN I LOVE and JUMPIN' FOR JOY, is definitely the stuff. The first displays his brilliant piano technique while the second is a rhythm number showing off his various stars. . . . If you haven't heard the Ella Fitzgerald version of STAIRWAY TO THE STARS, heard these stars were at their best when these numbers were cut, and each plays the blues from his soul. The first number is slow and meditative, the second emphasizes boogie woogie rhythm. If you want blues as they really should be played, grab a disc.

Remember Trixie Smith? She won a national blues singing contest around 1921 and recorded for Black Swan. This week Decca issues a new version of MY DADDY ROCKS ME coupled with NO GOOD MAN, both decidedly indigo with grand accompaniment.

Diskey Dalley's band uses boogie woogie rhythm on PENSION BLUES and less exacting styling

Democracy Congress Asks Equal Opportunity for All

NEW YORK CITY, Aug. 18.—

The democracies of the world were warned Tuesday by Ernest Bevin, general secretary of the Transport and General Workers Union of London, in an address before the Congress on Education for Democracy, to prepare themselves, should "peace break out," for the "progressive development of the world and a supreme effort to provide an equal opportunity for all races."

"The supreme test for democracy may come at any moment," declared Mr. Bevin at a meeting on "Democracy and Its Challenge" at the three-day Congress which opened at Teachers College, Columbia University, to fix education's responsibility for the defense and advancement of democracy. "The whole world has been driven, in order to resist aggression, to adopt a war economy. Events move quickly and instead of war breaking out peace may break out, and the combined

ability of the great democracies of the world will be needed equally in that event to secure justice, as it would to resist aggression by force."

"I suggest that the vital interest of democracy is peace, the progressive development of the world and a supreme effort to provide equal opportunity for all races. This can only be attained by the exercise of reason, ready adjustment and international democratic action in all possible fields, and the full acceptance of the principles of international law and justice."

It is not enough, said Mr. Bevin, to arm for the defense of democracy. "The democracies must be ready, he said, to sheathe their weapons 'the moment the enemies of democracy have laid down their arms and their people have demonstrated they prefer to share the gifts and participate in the great wealth of the world, without war.' He urged the need for teaching the acceptance of democracy itself and

its responsibilities to mankind.

"I have no doubt that this broad conception of democratic responsibility will bring one into conflict with the idea of national sovereignty," continued Mr. Bevin. "National sovereignty has served a great purpose in the organization of the world but it must be accepted that the next stage in human development must be directed toward world order."

Commenting on the "boundless wealth" of the democracies and the gifts laid on the "democratic table," Mr. Bevin said that "instead of distributing them we turn them into gold and bury them."

"What is needed," said Bevin, "is a resolute will to co-ordinate all these powers (of the democracies) to resist aggression and, at the same time, to work out in common plans whereby humanity the world over can achieve greater security and happiness than could ever be won by war."

"THE LITTLE PRINCESS"
Shirley Temple was explaining her role in "The Little Princess," her first Technicolor production, to Lily Foss, who had taken time out from opera rehearsals to visit the No. 1 star on the set at 20th Century-Fox.

"You see," Shirley told the diva, "I'm a sort of backwards Cinderella. I start out as a rich girl and end up as a slavey."

Returning after completing a scene in which she "accidentally" dumps a scuttle of ashes over Marcia Mae Jones, Shirley qualified her description of the title role in the film based on the great classic, by adding:

"I'm the Cinderella, but poor Marcia Mae gets the cinders!"

Darryl F. Zanuck was in charge of production on the film, which comes to the Douglas Theatre Sunday.

LUCKY ROBERTS' ORCHESTRA TO APPEAR IN CARNEGIE HALL

NEW YORK, Aug. 17. (ANP)—

Lucky Roberts and members of his syncopated-symphonic orchestra, who heretofore have played only exclusive, private engagements, will give their first public performance on Aug. 30 at Carnegie hall under direction of the Municipal Opera association. Specialties for the Roberts program will include concert, jazz ballet, string quartet and a choir.

The program will be for the benefit of the Crescendo club for Destitute Negro Song-Writers and the Ethiopia Children's fund. Officials of Municipal Opera association, sponsors of the program, this week issued the following announcement:

"The contribution of the American Negro to the musical progress of our country has long been internationally acclaimed. Probably no branch of our American Folk Music is better known or loved than the Negro spirituals."

"In the subsequent development of an American form of music, Mr. 'Lucky' Roberts, as the teacher

of the late George Gershwin and others, has been an important, creative influence.

"Now, as a step to further the development of serious musical contributions from among his talented race, it is the hope of Mr. Roberts, through a series of programs of which this is the first, to raise funds to help the needy Negro song writers. A committee is now being formed by the Crescendo club, the purpose of which will be to direct the efforts of these composers toward the creation of a characteristic Negro opera."

"Always ready to encourage any expression of musical progress and convinced of the value of such an effort, the Municipal Opera association is happy to sponsor this movement and extends its sincere wishes for its successful realization."

Sam's complete programs for the week follow:

Monday, August 21—"You Can't Have Everything," "Yours For A Song," "The Love Nest," and "Bells Of The Sea."

Tuesday, August 22—"Blue Skies," "Let's Disappear," "Give My Regards To Broadway," and "Boy Of Mine."

PASTOR ASKS IHSAA ADMIT ATTUCKS

The spectators at the Flanner House Olympics will have the rare privilege of watching in action two of the outstanding Negro athletes in America—Jimmy Smith, formerly of Indiana University, and the outstanding distance star will run an exhibition two mile race; Herman Holliday, the Muncie A. Louis Rated As Best-Handled Champion in History of Ring

DETROIT, Aug. 18.—Joe Louis, heavyweight champion of the world who will defend his title against the challenge of Bob Pastor here on Sept. 20, is the best handled champion in the history of the ring, according to William J. (Scotty) Monteth, the sage of Motherwell who piloted Johnny Dundee to the featherweight championship of the world.

Monteth, who has made his home here for the last 12 years, made this unqualified statement today. According to Monteth, the influence of his managers, John Roy, heron and Julian Black has had more to do with Joe's rise to the boxing pinnacle than the lethal fists that blasted 36 opponents out of the picture in his 45 fights as a professional.

And Joe's record would seem to indicate that Monteth is not far out of line. The records show that since Louis scored a one-round knockout over Jack Krackey in 1934, he was brought along carefully, meeting better opponents in every bout until he stopped Jim Braddock to win the title in Chicago in 1937, a crown he has successfully defended seven times.

Hank Isn't Worried

POMPTON LAKES, N. J., Aug. 18th.—Never a wonder gym boxer, Henry Armstrong isn't too much worried about his mediocre training showings but promises to be at top edge for his meeting with Lou Ambers at the Yankee Stadium, Aug. 22.

Henry is having some difficulty paring off the excess weight caused by a three-months' layoff—the longest of his ring career—but the situation isn't as bad as shrewd Eddie Mead, the double-champ's manager, is painting it.

The word is out that Henry, remembering the telling effect of Lou's cutting socks in late rounds, is going after a quick kayo. In workouts he is hitting more carefully, less often, much harder. A

toughie like Amers can't be taken lightly and he is second only to Henry himself in wearing an opponent down. And when two guys like that get together, anything can happen. So Henry, who showed in the Davey Day fight that he can change styles rapidly, may go after an early kayo.

Henry is much the harder biffer of the two, and as a deliberate instead of wild-swinging puncher, he'd be doubly dangerous.

Bob Pastor Opens Training Camp For Shot at Title

DETROIT, Aug. 18.—Bob Pastor, former blocking back at New York university, who will meet Joe Louis here for the heavyweight title on the night of September 20, will open his training camp at Brighton, Mich., three days before the champion moves into his quarters at Northville, Mich., it was announced here today.

Pastor, along with his trainer, Walter Brown and three sparring partners, will desert their quarters at Saratoga Springs, N. Y., on August 20 and Pastor will begin his hard work at Brighton the following day, Jimmy Johnston, the collegian's pilot announced.

Davis, who is doing light work on the estate of his co-manager, Julian Black at Stevensville, Mich., will not open his camp until August 24 and plans to do no boxing until August 26, according to John Roxborough, who along with Black, guides the fistful destinies of the champion.

The champion went to Stevensville only four pounds over his best fighting weight. Joe figures that if the weather is warm during his training period at Northville, his weight will be slightly over 200 pounds on the day of the fight. Cool weather probably will mean that Joe might weigh in at 202 pounds.

WATSON LEADS U. S. ATHLETES IN WIN ABROAD

LONDON, Aug. 18. (CNA)—Bill Watson, Negro star of the University of Michigan, lead the United States team to a victory in the "pre-view" of the Olympic games with 99 points this week.

Great Britain was second with 69 and Nazi German third with 37.

Watson paced the American team, winning the shot-put, the broad jump and finishing third in the discus throw. His toss of 52 feet, eight inches equaled the British shot-put record. He jumped 25 feet, 6 inches.

Joe Battise, 18-year-old Tucson, Ariz. Negro youngster, almost won the high hurdles, but finished one foot behind R. Lidman of Sweden, who went the distance in 14.4 seconds to equal the British record.

LOCAL MAN LAUDS ALL-STAR BALLOT

(See Editorial page 10)

Mr. W. Blaine Patton,

Sports Editor The Indianapolis Star.

Dr. Mr. Patton: I am one of the many thousand readers of The Indianapolis Star who followed with the most intense interest the recent popularity vote among the basketball fans of the state in selecting the All-Star five. I sent in my daily ballots and was delighted to discover that the three boys in whom I was most interested were selected among the first 10, two of them among the first five.

I am the associate pastor of the Broadway Methodist Church and it just so happens that one of my bits of community work is serving as chairman of the Indianapolis Young People's Interracial Committee. The members of this committee and all of us who are interested in better understanding between the racial groups of the city were pleased to note that two Negro boys were selected by the fans among the first 10, and George Crowe, of course, was first, and that by an astonishingly wide margin. In other words, the fans have spoken, and they don't care whether a boy is black or white, or purple; all they care about is how well can he play.

All of this is to say or ask, "What can we do to get our own local colored high school, Crispus Attucks, in as a member of the I. I. S. A. A.?" It seems to me a dirty shame that because of the opposition of Mr. Trester and some of the other fellows boys like Howard Mitchell have to play the teams from the Boys' School in Plainfield and other such schools.

I noticed with a great deal of approval your recent comments on this situation in your daily column, every word of which I read whether it is on baseball or horse racing. If there is anything we fans can do, or anything our committee can do, we wish that you would let us help.

Thank you for the fine contest, and your splendid sports department. Sincerely yours, ELMER A. HARVEY. INDIANAPOLIS.

STARS DOWN CUBS 15-1

More than fifty ardent softball fans of Columbia place, turned out to see the fast game Sunday afternoon at Butler Field, when the Cubs defeated the Stars by a score of 15 to 1. The Stars, managed by John Caudle are made up of the young married men of the community, while the Cubs, managed by Guy Russell, are made up of the single men. The batteries for the Cubs were Rooney and Edwards, and of the Stars were Willson and Jefferson.

2nd base, "Flash" Gordon (N. Y. Yankees); Shortstop, Wells (Eagles); 3rd base, Dandridge (Eagles).

P. S. Believe it or not, he also chose Josh Gibson, Homestead Grays catcher, over Bill Dickey of the world champion Yankees.

Sol White, called by many old-time white and colored baseball fans as the finest first baseman of them all, is still hale and hearty and makes Harlem his home.

Frank Forbes, publicity demon of the N. Y. Black Yankees, thinks that not less than 25,000 fans should pile into Yankee stadium on the 13th for the double-header featuring the Champion Homestead Grays of Pittsburgh against the Yankees, and the revamped Baltimore Elite Giants versus the clever Cuban Stars.

The Elites seem at last to have hit their stride and are playing a brand of ball at the moment that should lead them into the second half leadership of the National league race during the next two weeks.

Mgr. "Felt" Snows trade with the Atlanta Black Crackers has already proved his astuteness. The newly acquired players, Red Moore, "Chubby" Boone, "Slim" Evans, "Bullet" Dixon and "Cool Breeze" Butts have proved just the needed sparkplug to a team that had begun to founder like a ship in a gale.

HERMAN HOLLIDAY, the son of Mrs. W. G. Holliday, 1615 Bellefontaine street, will end his colorful athletic career at State Teachers college in Nashville. After receiving several offers, Holliday accepted a scholarship to Tuskegee where he won honors as one of the south's most outstanding all-around athletes.

Holliday's ability and fair sportsmanship have placed him on most of the selected teams for the last three years. He has been referred to by coaches as a "Honey" thus giving him the nickname of "Honey." He was picked on several all-American football teams in '37. Honey's height and speed make him a great basketball player. The Skeggee crack relay team was composed of Knight, Collier, Ellerbe and Holliday, which invaded and topped honors in such track meets as Penn Relays, Drake, and Kansas. Their creditable showing in the "36" Olympic tryouts can not be overlooked.

It is said Holliday plans to train himself for 100 and 220 yard dashes in 1940 instead of the 440 yards because of the injury it might bring to his leg which was broken in the "Skeggee" Wilberforce football game in Chicago.

Holliday was refused a chance to play football as a freshman in the

LIONS PUT ON BOXING SHOW

(by Joe Carpenter)

LEBANON, August 18. —The Lions club of Lebanon staged their first out-door amateur boxing show at the ball park Monday night. A large crowd was on hand and the boys really put on a swell show. The first bout brought together Lowell Beck and Bill Anston at 115 pounds for three rounds. This bout was a draw. The second bout of three rounds saw Jimmy Stuart of Logansport at 112 against Haven Morrison of Colfax. Stuart is a colored lad and a very clever one with his dukes and with proper training should go far. Morrison was given the nod in this bout.

Sam "One Round" Booth stepped three rounds against Jim Lovejoy—the nod going to Lovejoy. Booth is a colored boy and looks to have some possibilities. They came in at 147.

James "K. O." Green went against big Suss Cogle for three rounds. These boys put up a very neat fight but Cogle had a little too much on the ball and Green went out in the last round via the knockout route. Green is a colored boy and came in at 178—Cogle at 185.

Chico Leath, a very clever hard hitting light-weight stopped Jim Eads of the CCC camp in the last round of a three round bout.

Lefty Lewis was a little too good for Demois Atterman and the wink went to Lewis. They are in the light-weight class. Alva Lundy of Lebanon at 160 took on Ned Flinn of Logansport. Flinn stopped Lundy in the last round after Lundy had made several trips to the canvass.

Billy Bohn of Logansport and Pete Ray were on at 135 for three rounds; Bohn winning by a K.O. Jimmy Jones and Bill Keegan were on for three rounds. Keegan won this bout in the second round by a T. K. O. King Cole and Mike Szabo were on for three rounds with the nod going to Szabo.

The main go was between Bob Cook and Max Davis, two lanky fast-stepping lightweights. Cook got the nod in the last round of the bout. All in all it was a grand show and the fans are looking forward to the next big outdoor show which will be staged in about thirty days. The members of the Lions club are due lots of credit for bringing this fine sport to the people of Lebanon.

RELIABLES TO PLAY 'CRAW'S' AUGUST 29

The Kingan Reliabilities announced here that they had booked the Toledo Crawfords at Perry stadium for the night of August 29. Jesse Owens, World's fastest human, will put on a track exhibition for the benefit of the baseball fans.

The Crawford who in years gone by played under the name of the Pittsburgh Crawford have purchased the franchise of the Toledo team and this year they are known as the Toledo Crawfords. Oscar Charleston, manager of the highly touted team, will be here with the Easterners.

The date is August 29, at Perry stadium, time 8:15 p. m. Tickets will be on sale at the Indianapolis Recorder, Sunset Cafe, Oriental Cafe.

local high school because he was too small. From that year Holliday went to work in order to build up his body so he could play as the others. Over a period of years he has developed a body that many physical education directors consider almost perfect. Holliday is a local lad of whose record we should be as proud as his family, because he is an Indianapolis boy whose achievements have been made through clean and upright living with little or no help.

Holliday was winner of the 100 and 220 yard dashes in an A. A. meet held in Muncie, June 29.

Jesse Owens "Went to Town" But Dailies Forgot

DALLAS, Aug. 18. (By Fritz Cansler for ANP)—Jesse Owens

came to town last week leading two teams that played a game of baseball in the Rebel stadium, home of the Dallas Texas leaguers. Spectators were a unit in the opinion that with the exception of the big timers who tarry in Dallas on their way home following the spring training seasons, few games of the speed and class were played on the field during the season's run. The famous Kansas City Monarchs and Toledo Crawfords battled through eight and one-half innings of as good baseball as one could want to see. The Monarchs won the battle to the tune of 8 to 5. The game was one regularly scheduled between the two clubs touring this section to give the fans an opportunity to witness their brand of playing and at the same time continuing the championship series. A large crowd was present and the game was filled with interest and excitement.

Jesse Owens, Olympic champion, described by the radio announcer as one of the greatest of athletes and perhaps the greatest sprinter of all times, accompanied the teams and was on the program for an exhibition, giving them a handicap of ten yards, he raced over the 100-yard course with a group of high school and college track men in remarkably good time. He also ran the low hurdles and delighted with his unparalleled form, ease and grace. His broadcast over a local station told of his participation in athletics at Ohio State university and of his trip to Berlin with the American Olympic team. He thrilled the radio audience with a graphic, well-phrased and fluent description of the epochal contest as he expressed his pleasure in winning the event for his country.

A strange commentary on Owens' visit to Dallas was the utter and complete silence on the part of the newspapers and the sport writers on his appearance. It will be remembered that the first year of the Texas centennial there was presented for the first time in the history of the South, an interracial track meet with outstanding Negro athletes competing with southern

collegians. The treatment of Owens' recent visit reflects the paradoxical situation prevailing in the South in every department of life. The attitude of southern newspapers on all questions pertaining to race and color is always and everywhere unpredictable.

SODIE WHITE, Local Player To Help Coach

NEW YORK, Aug. 18. (ANP)—Football is in the air. Ralph Garner, for several years assistant coach and captain of the New York Black Hawks, has issued a call for the first group interested in football to assemble Saturday night at the Harlem Branch Y. M. C. A., where plans for the coming season will be discussed.

Invited to attend from last year's squad are Guy Fultz, end from New York U.; Lamar Hibler, end from Bishop college; Richard Johnson, tackle from Oklahoma; Ray Caldwell, tackle from St. Paul Va.; Marcus Grant, halfback; Bluff Jones, former captain at George Washington, half back; Wallace Hooker, half back from Hampton; Edward Vaughn, guard from Morehouse; Frank Mason from Florida A. & M.; William Fields, half back from Mt. Vernon; James Carmichael, linesman from Alabama; and several others.

Assisting Garner in the running of the team this year will be the old standbys, Sodie White, the All-American center from Talladega and Allan Wharton, an assistant coach at Hamilton high in Brooklyn.

Other interested players are invited to contact Mr. Garner at the Harlem Y. M. C. A. for further information and attend the meeting to see and know the other fellows. An early date has been set for practices and the Black Hawks are looking forward to another banner season. Several new recruits will be added to the squad and a number of hold overs from last year are expected to be back in time for the opening games. In addition, to these players, several important football personages are expected to line up with the Hawks at an early date which will give this, the oldest pro team in the eastern section, a more formidable lineup than they have had in years.
